Show- & Marchingband AMIGO - COLDPLAY

Ladies and Gentlemen,

Please let me introduce you to: **Show & Marching band AMIGO from Leiden, the Netherlands!**

2020 is a special year for them. Established in 1995, AMIGO celebrates their 25th anniversary this year!

Throughout those 25 years AMIGO has grown to become a band that is in great demand, inside as well as outside the Netherlands, in particular because of the popular music they play, combined with their precise discipline.

Because of a growing interest from the UK, conductor DENNIS HAZENOOT wrote an impressive piece of music, inspired by the music of the world famous British band COLDPLAY. The matching choreography was created by IVO DE SOET.

The result of which is a smashing show that soon led to invitations for the Glasgow Tattoo and the Belfast Tattoo.

AMIGO will take you on a visual and musical experience.

Ladies and gentlemen, please give your warm applause for AMIGO Leiden with their show COLDPLAY, led by drum major Ruben Kruit.
